NUDGEE COLLEGE
Established 1891
ROYAL BLUE and WHITE

In 2018, The Great Public Schools' Association of Queensland [GPS] reaches its centenary, providing an extraordinary opportunity to celebrate one hundred years of the GPS 'spirit of fellowship'.

This year, it is a special privilege to welcome competitors, spectators and staff of the nine GPS member schools to this momentous occasion – the GPS Centenary Swimming Championships.

The Swimming Championships have been an important feature of the GPS sporting calendar for almost as long as the Association has been in existence. This Centenary year marks the ninety-fifth senior carnival event for competitors aged 13 Years and Under to Open. The Junior GPS swimming carnival event was an exciting recent addition and this is the fifth time juniors aged 10 and Under to 12 Years and Under have taken part.

The Championships are a wonderful way to showcase the very best of GPS – the pursuit of excellence, healthy competition, loyalty, passion, rivalry and respect – in both victory and honourable defeat. This world-class venue provides a fitting stage for this splendid occasion, and the legendary atmosphere created by those in the stands is enough to inspire the performances of a lifetime from competitors of all ages and standards.

The GPS Association is delighted to wish all competitors well in this historic GPS 100 event.

13 Years & Under - Open			

Competitors' Starting Instructions

1. Consistent with the amended provisions of The Swimming Rules, the Starter will not necessarily brief competitors on his requirements before the Start.
2. The Referee will give a long, drawn out crescendo blast on the whistle to signal competitors to take up a position on their blocks, or, in the case of a Backstroke event, to come to their starting positions in the water.
3. Feet first entry to the pool will apply to all backstroke events.
4. When requested by the Check Starter, the competitors will move in a group onto the Pool-deck each to a position immediately behind his/her Lane Starting Block.
5. After the competitors have placed themselves behind their respective blocks, the announcer will make the appropriate introductions.
6. The Starter will give the precautionary command "Take your marks". Competitors will immediately take up their starting positions at the front of the starting block, or, in the case of a Backstroke event, their starting positions in the water, and REMAIN STATIONARY.
7. When all competitors are stationary the Starter will give the starting signal.
8. Competitors must finish in the lane in which they start. They will remain in the water in their lanes at the finish of the event until a signal is received from the Referee to leave the water.
9. The False Start Rules will be applied in this way:
 - a. A swimmer who dives into the pool before ASSUMING AND HOLDING his starting position prior to the signal to start is liable to disqualification on the recommendation of the Starter and with the concurrence of the Referee.
 - b. A swimmer who is told to 'stand up' and who then wilfully dives into the pool after the order is given would contravene the "wilfully disobeying an order" rule and consequently is liable to disqualification on the recommendation of the Starter and the concurrence of the Referee.
 - c. A swimmer who overbalances and falls into the pool after being told to 'stand up' is not, however, in contravention of the "wilfully disobeying an order" ruling.

JUNIOR GPS

10 Years & Under - 12 Years & Under

- In this meet, the Two Start Rule will apply.
- If the swimmer is showing intent to swim the stroke correctly, Referees will make every effort to avoid disqualifying swimmers. The referee will talk to the swimmer through the competition should a minor infringement occur.

GPS

13 Years & Under – Open

- In this meet, starts will be in accordance with the F.I.N.A. International Rules.
- **The one start rule shall apply throughout the whole of the meet.**
- Any relay team shall be disqualified from a race if a team member, other than the swimmer designated to swim that length, enters the water when the race is being conducted, before all swimmers of all teams have finished the race.

BARRACKING

Shortly before the commencement of each event a whistle will be blown to serve as a request to all supporters to refrain from making any noise until the competitors have entered the water.

Student Reflection

"The atmosphere is unlike any other in the world. Nothing compares to representing your school in front of the boys, and doing your best for them."

Kaleb Welfare and Remi Gordon

Ipswich Grammar School,
Year 12 Students

GT Snapshot

Student Reflection

“GPS Swimming is a special event like no other. It’s fantastic to have the stands full of spectators cheering you on and that’s something that doesn’t happen at States or Nationals. I’m really looking forward to competing at GPS this year.”

Tom Neill

St. Joseph’s Gregory Terrace, Year 11

NC Snapshot

Student Reflection

"When you are competing at GPS you genuinely feel like you have all of your mates and school totally 100% behind you which is unlike any other swimming event. My first experience of it was in 2017 and it's made me train so much harder knowing that I have that to look forward to at the end of the season. I won my first ever Queensland medals in December so I feel like I'm more prepared than ever before."

Lachlan Gilbert

St Joseph's Nudgee College, Year 11

5.45pm		Presentation of Trophies	

NOTE:

The Championships are to be conducted in one day in Sessions for age groupings (10Years & Under - 12 Years & Under) and (13 Years & Under - Open). The eligibility criteria for Year 5 & 6 students is they cannot compete in Session 2 (13 Years & Under - Open), but Year 7's who meet the criteria to compete in the 12 Years & Under age group can compete in the (10Years & Under - 12 Years & Under) event. A Year 7 student may only compete in one Championship event.

Student Reflection

“The GPS Swimming atmosphere is like nothing I have ever experienced. I have not yet made a Commonwealth or Olympic Games team so maybe the noise will be similar at those meets, but to date, GPS stands alone for me.”

Grayson Bell

The Southport School School
(GPS 2011-2015, 3x Individual event winner,
Australian Swimming Representative)

Student Reflection

“My first GPS swimming competition was in 1990. I was 12 and remember being overwhelmed by the war cries and the thunderous noise of the cheering. I recall that the older kids would congratulate each competitor and make everyone feel a part of a really special team.

Each year I learned to use the noise and the atmosphere to get the best out of myself and by 1995 I had grown to love the whole experience. What I didn't realise at the time was that they would be the most intense competitions of my life.

They prepared me well for the next 10 years of international competition, and looking back, nothing would match the build-up and intense atmosphere of GPS swimming.”

Jeffrey English

Brisbane Boys' College Old Boy 1995

Conditions of Entry **Sleeman Sports Complex**

- The use of cameras, audio or video recorders and other recording devices within the facility is strictly prohibited, unless prior permission has been given.
- No bags on pool deck, walkways or stairways.
- Standing or sitting in stairways is not permitted, nor stomping or standing on Grandstand seating.
- For your safety, no leaning or hanging over handrails at the bottom of seating areas is permitted.
- The use of mechanical aids to barracking such as battery operated loud hailers are not permitted (Note: School non battery loud hailers/cones are permitted).
- Offensive or inappropriate behaviour will not be tolerated and will result in immediate eviction from the facility by venue staff.

Student Reflection

"We are privileged to be a part of the GPS100 Swimming Championships, leading the current representation of blue-red-blue swimmers. Swimming at the Championships is the highlight of our swimming year. We will strive to achieve our personal bests, whilst also wishing our fellow competitors well. The electrifying atmosphere will lift us to swim faster than ever before; the roar of the State High supporters will be deafening. The memories that we have gained from swimming at this event will remain with us forever! Finally, we would like to thank our supporters, particularly the efforts of members of our families, who have helped up us to prepare for this momentous event."

Connor Mitchell, Oliver Boucher, Lachlan Harris

1973	Brisbane Grammar School
1974	Brisbane Grammar School
1975	Brisbane Grammar School
1976	Brisbane Grammar School
1977	Discontinued

Patrons are advised that the Sleeman Sports Complex has **EMERGENCY EVACUATION PROCEDURES**, a **FIRE ALARM** system and **EXIT** passageways.

In case of an alert patrons should remain calm, look for the closest **EXIT** sign in **GREEN**, listen to and comply with directions given by venue attendants and move in an orderly fashion to the open spaces outside the venue.

* CEGS – Church of England Grammar School now known as Anglican Church Grammar School

BGS Snapshot

Student Reflection

“Winning the first event of the GPS Championships and as BGS Captain remains the highlight of my swimming career.”

Neddy McKendry

Brisbane Grammar School, Olympian BGS Alumnus (London Olympics 2012) GPS 2010 400 metres freestyle
