3 March 2022

STATEMENT

The Great Public Schools Association of Queensland (GPS) cancel Round 6 of the competition and postpone the GPS Swimming Championships.

In light of the recent extreme weather event in South-East Queensland and the current severe storm activity, all Round 6 Fixtures from 4-6 March 2022 have been cancelled. This includes debating, Volleyball and Cricket.

The GPS Swimming Championships scheduled for Friday 4th March is postponed with a date to be announced.

Our thoughts are with the community in this time.

END.
